

## Spring 2026 NEWSLETTER

# It's Still Spring!

The saying goes "April showers bring May flowers," but I don't know if we really needed all the rain we've gotten in April! I hope that you have all come through that crazy week of storms we had without excessive damage or having to spend too much time in your basements. The upside to all that rain is how green everything has become. I'm always encouraged by that and the blooming of spring flowers.

And I'm so glad this issue is finally hitting your mailboxes and inboxes! Inside this issue you'll find that reservations for the Mega Magic trip to see Tristan Crist in June are still open, and there is information about our All-Star Annual Party on July 15. There was even room for a puzzle!

The May Smart Seniors will feature Stephanie Lenz from the Walworth County ADRC and will focus on scams, how to recognize them, and resources available to help keep your funds safe.

When it comes to our trips and events, I strive to find well-curated, high-value activities and destinations but am struggling with the rising cost of transportation, meals, and admission fees. The bus company we've used for several years is closing, and I'm working of finding a replacement company that won't be too much more expensive. Unfortunately, going forward, you may see that some of our trips and activities will cost more to accommodate those increases and changes.

Take care, stay dry, and, as always, until we see you next time -

enjoy your Good Life!

### Review of Reservation Cancellation Policies

We understand that circumstances may arise where you may have to cancel a reservation for a trip or event. If we can refund you money, we will. However, if you cancel after a reservation deadline has passed and there is no waitlist, we cannot issue a refund. Once a reservation deadline hits, payments are made to vendors for transportation, admission, and meals.

For a complete list of trip/event policies, please see the bottom left inside section of this newsletter. These policies are included in every issue of the newsletter, as well.

## What We've Been Up To

### Bingo

We had a great turnout for this year's Bingo day in January. There were some who picked the lucky bingo cards and won a few times, but everyone went home with at least one of the great prizes available. A nice way to spend a cold winter day!

### Movie Matinee

St. Patrick's Day was the perfect time for our matinee showing of *Darby O'Gill and the Little People* - A Disney Classic with a cast that includes a very young Sean Connery.

In the movie, Darby O'Gill and the King of the Leprechauns get into all sorts of mischief that *almost* turns into tragedy. All in all, a fun-filled movie!

### BAPS Mandir

On April 7, we took a trip to Bartlett, IL to visit the BAPS Mandir temple. We were warmly greeted by our host who took us to an intricately carved wooden haveli where he gave us insight into the Hindu religion and the history of the BAPS Mandir.

Then we were allowed to enter the Italian marble temple to take part in a Hindu prayer service. Afterwards, the group was invited to another area where we could make a wish by pouring water over one of their deities. Before leaving, there was time to browse in their store that has an amazing array of Indian snacks and goods available plus a vegetarian cafe.

Our other stop for the day was at Lake Geneva Country Meats where they have a fresh-cut meat case, a variety of flavors of bratwurst, and a large selection of wine and other Wisconsin-made goods.

From his very first magic kit to a decade long career at Circus World Museum to Las Vegas worthy performances in his Lake Geneva theatre, Tristan Crist brings those experiences and his love of magic alive for his audiences.

Tristan Crist's fascination with magic began when his grandfather showed him a card trick. Except for sawing his 10-year-old sister in half, Crist's family encouraged his interest in magic. He also performed in community theater and earned a fine arts degree in theater technology, lighting, and technical design from UW-Stevens Point. Crist appreciates that he's able to use all of those skills to create his own unique mega magic performances.

**Please Note:** This show includes loud music, flashing lights, pyrotechnics, smoke, strobes, confetti, and video content. The performance is 90 minutes with an intermission at the 45-minute mark. There is a concessions area where snacks, soft drinks, beer, and wine may be purchased.

Learn how to spot fraud and what steps to take if you have lost funds to a scam! Protect yourself and the people you care about by attending this event to discuss financial exploitation and other forms of Elder Abuse that often go unidentified. Keep your funds for yourself instead of being coerced by criminals to hand over your life savings. This program will give you information on how Adult Protective Services may be able to assist if you suspect someone you know is being abused, neglected or exploited.

The May 26 Smart Seniors will feature Stephanie Lenz, CSW, from Walworth County ADRC. Program starts at 1:30PM. IGET is located at 2040 Beulah Ave, East Troy but use Division Street driveway and enter at Door 7.

Smart Seniors, Memory Cafe, Caregivers Support, and Death Cafe are presented in collaboration with the Walworth County ADRC, East Troy Intergenerational Community Center (IGET), and Good Life Club.

This series of programs has been created to reach the needs of those experiencing dementia and those who care for them and to help educate and inform seniors.
