

Winter 2026 NEWSLETTER

It's Still Winter!

Just like it seems as though the cold and wind will never end, it seems as though it took FOREVER to get this 2026 Winter newsletter issue finished! It's finally put together and packed with good stuff. It's so full, there was no room for a puzzle in this issue. If you'd like a puzzle or two to solve, shoot me an email and I'll forward you some fun.

As I continue to celebrate my 10th year at Citizens Bank with you, my Good Lifers, I was thinking back on the places and events that struck me with their beauty. We have been so fortunate to visit places like those listed below including the BAPS Mandir in Bartlett, IL. As one of my faves, the Mandir is our destination in April. We'll also be returning to Volo Auto Museum in May, and Tristan Crist Magic Theater in June. All places we've been before, but worth visiting again!! Check inside for all the details.

We had a great time as always during our annual Bingo get together in January. My helpers did a great job this year. My husband Steve lent his expert Bingo cage rolling and Stephanie from Marketing managed the prize table like a pro. When we host events like Bingo, Movie Matinees, Smart Seniors, and the Annual Party, reminder notices are NOT sent out. Postcards are only sent out for day trips. So, if you sign up for one of the social events, please be sure to write it on your calendar. We'd hate to have you miss the fun!!

Take care, stay warm, and, as always, until we see you next time -

Enjoy your Good Life!

Cheryl,
and the rest of the GLC team!

Around Racine

With a step-on guide who really knew her stuff, the trip **Around Racine** was filled with history, architecture, notable sights - and Kringle! The tour at the Frank Lloyd Wright designed SCJohnson was fascinating not only for its architecture but the stories behind the company, as well.

Both the food and view of Lake Michigan at Reefpoint Brew House were exceptional, and there were two bakery stops for Kringle sampling and buying included to conclude a sweet day!

Christmas Market

December's trip to the **Ostoff Resort Christmas Market** in Elkhart Lake was a repeat of one of Cheryl's Faves from 2019, and began with a personal welcome from the resort's General Manager and included shopping for Old World crafts and treats.

Afterwards, the group enjoyed a generous and delicious German lunch buffet served with gemütlichkeit at the family-owned PJ Campbell's at the Depot in Plymouth.

The final stop at The Wreath Factory included a talk about the business's history, a wreath-making demonstration with some hands-on opportunities, and shopping.

Volo Auto Museum is more than a classic car museum. It's a destination filled with all things automotive and mechanical. And since our last visit in 2023, they have added a Titanic Experience just waiting for us to explore.

In 1960, William, Sr and Gertrude Grams bought a piece of property in Volo, Illinois with a vision to start a business to provide for themselves and their five children. Their original resale shop is now a destination stop that includes attractions for all ages! Currently in the hands of third and fourth generations of the Grams family, it continues to be a delight to those who enjoy unique and classic vehicles of all kinds. There are thousands of Mechanical Marvels from the first motorcycle to a self-playing orchestra all displayed in over 30 unique exhibits filled with artifacts and housed in several buildings on the property.

We'll spend the first part of our day at Volo exploring the new Titanic Experience. This one-of-a-kind exhibit pays tribute to the era and the people from the most wealthy to the lowest classes onboard by sharing stories of the Titanic's triumphs and failures through carefully curated artifacts and exhibits.

For lunch, we'll meet up in the private eating area for a BBQ lunch of pulled chicken sandwiches, mac & cheese, green beans, and coleslaw.

After lunch, there will be plenty of time to explore the numerous exhibits throughout the auto museum buildings. If you finish with the museum, you can browse the gift shop, rest in the snack area, or head across the parking lot to their antique mall. Truly something to see for everyone at Volo!

Wear good sturdy walking shoes!

From his very first magic kit to a decade long career at Circus World Museum to Las Vegas worthy performances in his Lake Geneva theatre, Tristan Crist brings those experiences and his love of magic alive for his audiences.

Tristan Crist's fascination with magic began when his grandfather showed him a card trick. Except for sawing his 10-year-old sister in half, Crist's family encouraged his interest in magic. He also performed in community theater and earned a fine arts degree in theater technology, lighting, and technical design from UW-Stevens Point. Crist appreciates that he's able to use all of those skills to create his own unique mega magic performances.

Please Note: This show includes loud music, flashing lights, pyrotechnics, smoke, strobes, confetti, and video content. The performance is 90 minutes with an intermission at the 45-minute mark. There is a concessions area where snacks, soft drinks, beer, and wine may be purchased.

Prior to the show, we'll enjoy lunch at Lake City Social Restaurant with a Caesar salad starter and choice of Chicago Beef Dipper Sandwich, Ciabatta Grilled Chicken Sandwich, White Cheddar Mac, Chicken Tenders, or Reuben Sandwich - served with fries or Chef's Vegetables. Lady Lighthouse Keeper: The Extraordinary Life & Times of Georgia Green Stebbins

Georgia Green Stebbins was a sickly young woman from New York City when she came to the North Point Lighthouse in Milwaukee in the mid-1800s to help her ailing lighthouse keeper father. She ended up being an exemplary lady lighthouse keeper in an era when that was an uncommon profession for women. Georgia was the longest serving keeper at North Point as well as the longest serving woman lighthouse keeper in Wisconsin. Her story is fascinating.
